1. After discussing the matter with [redacted] ORR, I have arranged for an appointment to have ORR brief Congressman Battle and Mr. Bullock, of the staff of the House Foreign Affairs Committee, on 11 July at 9:30. Mr. Tannenwald, Acting Director of Mutual Security, called to express his appreciation for this assistance.

2. [redacted], called to clear a draft of a memo to DD/P on the subject of the European trip of members of the Senate Judiciary Committee in connection with S. Res. 326. Certain changes were suggested to him, and I informed him that I felt that no attempt to brief Committee or staff personnel before they went abroad should be made, and that our personnel overseas should be alerted to stay as far away from them as is possible.

3. [redacted] called to inquire whether I knew anything further as to possible actions involved in the [redacted] case, and also to discuss the question of employing counsel to represent [redacted] in any legal proceedings which might arise. This subject was discussed further by [redacted] and STATINTL myself, and Mr. Houston and Mr. Wisner, and Mr. Wisner has been informed that we perceive no legal objections to CIA employing such counsel for security purposes.
